

»NOCTURNE«

Stuart Nigel Reid Wolfe

LIVING **g** SCULPTURE
Limited editions

»NOCTURNE«

The bronze table “Nocturne” by the London artist Stuart N.R. Wolfe takes the observer on a night time journey. In a dramatic moon light scene, the owl seals the fate of the hare framed by an organically geometric bronze forest.

A homage to the Renaissance “Nature Morte” paintings and constructive geometric art.

Material:
Bronze,
Safety glass

Dimension:
Length: 120 cm
Hight: 48 cm
Width: 52 cm

»NOCTURNE« VARIATIONS

How would **your** "living sculpture" look ?

All constructed architectural bronze furnishing and the bronze figures are exclusive art works, that may be freely combined, according to your personal preference.

You are also welcome to commission an individual object, for example, shelves, chairs, vitrine etc. with a theme of your own liking.

STUART N. R. WOLFE

Stuart N. R. Wolfe born in London.

The artist received international recognition through his installations in the public sphere:

- Am Priesterberg 10, Berlin (Kunst am Bau)
- Pannierstraße 41, Berlin (Kunst am Bau)
- Anhalter Bahnhof – “Figuren gegen das Vergessen”, Berlin (Installation)

The German AIDS Foundation commissioned him with the composition of the annual “Hans-Peter-Hauschild-award”.

His design work is to be seen in the “Museum der Arbeit” in Hamburg.

LIVING SCULPTURES

All “living sculptures” objects are individually drafted and custom made.

The constructed architectural bronze furnishing and the bronze figures are exclusive art work originals, cast at the renowned Hermann Noack foundry in Berlin. The figures may be freely combined, according to your personal preference.
